

## St. Ninian's Today

St Ninian's is a community  
Where our everyday stories of ordinary life  
In their beauty and their sadness  
Are placed against God's story  
As it's read in scripture,  
Sung in song,  
Considered in music, film and silence.

Together we bring who we are, as we are  
And allow God to reshape us through Jesus.  
We believe the Holy Spirit  
Ushers us into the mystery of worship,  
Where God's immeasurable presence is intimately known.

We are a mixed lot  
Diverse in age, experience, opinions;  
Who travel together  
Sharing our lives, our dreams, our laughter and tears –  
Able to disagree without dropping off the Christmas card list.

Our openness is honest  
Our friendship warm  
Our faith vital.

We are the church for the parish  
- Not a private concern -  
So we share the villages Joys  
And support its sorrows

Wherever and whenever  
Space is made for us to do so.  
We believe following Jesus is something that's learned,  
Never easy, But possible even for people like us!
